

Discontinuation of Products

Products affected: tactile switches TSS 310 N, TSS 310 S, TSS 310 N-J, TSS 310 S-J

Effective date: immediately

Details:

In the course of continuous product improvement the sealing was modified and is now according to IP 67.

For this reason the type name changes from TSS... (see above) to TSSEE...

Other mechanical specification, dimension incl. PCB layout, electrical values, packing are not affected.

Datasheets available on demand.

knitter-switch, May 2010
